Samoa Philatelic Bureau Update

On this bulletin, you will find the final two issues produced for Samoa Post in conjunction with Philatelic Collector Inc. under our exclusive agency representation. Due to extenuating circumstances surrounding Samoa Post's actions against our agreed terms we have been given no other choice than to end our representation until an amicable resolution can be reached. Going forward we do not have plans to offer new issue services for 2017 issues onward, though we will maintain an inventory of all prior issues offered from our company.

We apologize for any inconvenience caused by this change, we will keep you informed going forward with updates should our representation resume. If there is anything we can assist you with please let us know.
