During times of Governmental disrupt Tonga Post had relied on previous issue surplus for overprinting and revaluing. Recently Tonga Post had discovered that a small quantity of these issues remained unused and they are now being offered. There are incredibly low quantities of these that were found at Tonga Post, quantities are as low as ten on some items. Please note that these issues were held at Tonga Post for many years and do show some imperfections as expected with tropical air (all items are unused). If you have any of these items in USED format please let us know as we would be delighted to hear about them.
