Cook Islands – Aitutaki – Penrhyn – Rarotonga – Tonga – Niuafo'ou

2022 New Issue Summary

The below listing is a summary of all new issues from the year 2022. Over the recent years there have been several postal rate changes along with larger volumes of shipping at the post offices. To meet these changes there have been several overprinted stamp issues with the new rates. These overprinted issues have limited availability, and we cannot promise they will be in stock at time of ordering.
